

PERFORMING COMPANY

INFORMATION SHEET

UPDATED July 17, 2023

Diamond Talent auditions every summer for our Performing Companies for the following performing season from August - May.

Auditions consist of:

1. Attend a Triple Threat Workshop in June 2023 for ages 9 & up where students will audition with musical theatre & dance styles and be observed with each student's ability to work well with other students in the workshop on life skills and teamwork.

If you are ages 6-8 and want to be in the children's company "Sapphire", then you need to take the summer Children's Dance & Musical Theatre or Young Dance Wednesday Intensive Classes. We strongly recommend the full 4 weeks. The "Sapphire" Company is in the Christmas Show and the Spring Showcase.

2. Attend June-July summer intensive classes which consist of Ballet, Jazz, Tap, and Contemporary. The students will audition on technique levels and choreography styles during the 4-week workshop.

3. Diamond Students who are cast in "Diamond Project" ages 9 & up will be scheduled for Company Boot Camp during August for 2 weeks prior to fall semester officially beginning in September for regular studio weekly fall semester classes. The tuition ranges from \$225-\$375 depending on the company.

4. Results will be based on technical skill, work ethic, maturity, people skills, professional potential & aspirations, attitude, and trust felt from the parent and child with training and assigned class levels. Cooperation and respect play a big part of casting.
